

FOREST CITY TAE KWON DO CLUB

MINUTES OF MEETING

Held on February 18, 1994
At Victoria Hospital Gym

1. Discussed minutes of last meeting.

2. London Recreation Department (former PUC) Programs:

Mr. Gagel, Mr. Petkovic, and Mr. Heard have been discussing the possibility of a year round program via London Hydro (Larry Rooks) and with the School Board (Thomas Moore). This arrangement would only be possible through the non profit corporation, as the City and the School Board will not deal with individuals.

Mr. Petkovic will add Forest City Tae Kwon Do to the existing insurance policy for Seikido. This insurance is for damages to property only and does not cover injury to participants.

The present London Parks and Recreation Department programs currently underway will receive assistant instruction from David Walton, Lee Richmond, and any other Black Belts who wish to participate. The Forest City Tae Kwon Do Club will invoice the City, and then disburse an honorarium to each instructor who helped teach the programs.

3. Fund Raising:

Club members will investigate the possibility of selling sweat shirts or T-shirts, possibly white with tie die or coloured logo. The Club still has a few from before and should sell these first.

Bingo, will need licence from City. Tim Tadgell of Strathroy Tae Kwon Do may help. Can contact Al Duffy of the St. Clair Tae Kwon Do Club for assistance and ideas. Risky fund raising since a good night is needed, as well as at least four volunteers.

Other possible fund raising opportunities could include:

- Sale of chocolate bars.
- Raffle a Samurai sword (good replica). Russell Taylor will check possible sources. May need a licence if tickets are to be sold to the public.

Minutes of Meeting
February 18, 1994

p. 2

4. Team Warm Up Uniforms:

Many people have asked for one of the black warm up outfits which were originally purchased for the Sarnia Tournament three years ago. These were end of stock and will be difficult to replace. John Lemieux, Derek Bindner, Russell Taylor, and Mr. Gagel will investigate getting similar suits from various suppliers. The last sets were only \$70 and it is doubtful that this price can be matched again.

5. Crests:

Mrs. Windover and Derek Bindner provided some concept drawings of possible crests for Forest City Tae Kwon Do. Mr. Gagel will prepare a design to include some form of tree as a theme, without depicting the martial arts aspect, to represent the "umbrella organization". The colours should be kept to a minimum (two?) to save costs.

6. Annual Picnic:

Planned for some time in June, before all the school age children are out of school and on holidays. Gibbons Park is still the favourite place. Note pool not open till July.

Adjournment.

These minutes were prepared by Jo Anne Windover.
