

**FOREST CITY TAE KWON DO CLUB**

**MINUTES OF MEETING**

held on January 21, 1994  
at the Seikido School gym, Victoria Hospital

**Resolution for New Members:**

- Derek Bindner
- Brian Johnston
- Leanne Hundertmark
- Joanne Windover
- David Walton

Carried unanimously.

The London Parks and Recreation Department Program (former P.U.C.) begins again at Ashley Oaks Public School on January 25, from 7 to 8 p.m. on Tuesdays and Thursdays, and runs for six weeks; and the Women's Self Defence course begins January 25, from 8:30 to 9:30 p.m. on Tuesdays at Saunders Secondary School.

Mr. Gagel will teach this program because Darryl Betteridge has moved to Kitchener.

The Club is attempting to turn the three six week City programs into a full year, from September to June, at one of the schools in London, supported by the School Board and the City. Negotiations have begun with Thomas Moore of the Board of Education, and Bob Graham (661 5549) and Larry Rooks (661 5734) of London Hydro.

The Club must have insurance to be able to run this type of program. Mr. Petkovic will investigate the possibility of including Forest City Tae Kwon Do in the Seikido insurance policy, to cover both entities. The only purpose of the insurance is to pay for any damage done to the property or facilities during class time.

Each instructor should inspect the premises fro any damages before class in order to ensure that the Tae Kwon Do people did not do any such damage.

The optimum procedure for running the City program would be that Forest City Tae Kwon Do invoices London Hydro directly, and would then give the volunteers who help teach an honorarium for their services.

The Club can raise money through fund raising activities and then put some money back into the community. For example, the Strathroy Club contributed a basketball electronic scoreboard to Southdale Public School in Strathroy in return for use of their gym.

January 21, 1994  
Minutes of Meeting, continued...

p.2

This type of program would give black belts at the Club an opportunity to get established in new schools of their own. This may be the best way for the organization to grow.

Resolution:

"That Forest City Tae Kwon Do try to establish year round classes at a Public School gym in London through the City's Parks and Recreation Department program."

Carried.

The Forest City Tae Kwon Do Club should have a crest of its own to identify the umbrella organization which will oversee all activities. Anyone with any ideas and/or artistic ability can design a crest and submit it for review at the next meeting. The crest should have a green colour on it and possibly some type of tree to symbolize London and "growth".

The next meeting is scheduled for Friday February 18, at 8:15 p.m., at the Seikido School gym.

These minutes were prepared by Derek Bindner.
