

FOREST CITY TAE KWON DO

May 13, 1994

Topics discussed were as follows:

- Russell has informed us that a freeze has been put on non-profit organizations while they are being investigated. It will not be possible to obtain a license for a lottery or raffle for use outside of our organization.
- Russell is planning to call Lillian T. for cresting and lettering prices for the TKD jacket and pants combo (\$50).
- The question of whether or not to order more T-shirts has been brought up.
- Otto has suggested having a garage sale to raise some money. We also briefly discussed having another car wash.
- 4 people from Strathroy plan to attend "Joe Survival".
- The picnic planned for June 11 will start at 11 a.m. Igor and Ivan Saika have volunteered to go early (6 a.m.) and guard our area under the pavillion.
- Like last year, we will sell tickets and have a draw for bottles. Fatima, the Saikas and the Petkovics have offered to donate a bottle.
- We must remember to bring a hand stamp in order to identify club members and their families.
- The Strathroy picnic will be held on July 9 at Alexander Park in Strathroy. Bring a salad or desert. The pool will be rented for 2 hours.
- Sue has been nominated as a new member.
- The next meeting will be on May 27.
